GLOBALLY INTIMATE

For 27 years, Southern Cross has been providing aircraft brokerage, acquisition, sales, and leasing services for our customers. By offering complete turnkey service, from the early concept stages of the purchase or sale, through closing and post delivery customer support, we provide customers with exceptional value and service.

The founding principle of our business has remained that of developing long-term relationships with each of our customers, and we work very hard to create and maintain a high level of confidence and trust.
